

## Woodland Schools Foundation

### July 4, 2013 5-3-1 Run!

We need your help to support the students in Woodland's public schools. The reduction of state funding has caused our district to cut their budget by \$13 million in the past two years. This has resulted in school closures, reduced student activities, reduced academic counseling, reduced security at our middle and high schools, and increased class size.

The Woodland Schools Foundation (WSF) is a non-profit organization formed by parents to provide financial support to public school students and teachers in Woodland Joint Unified School District. The WSF Board and committee members are actively raising funds to assist with maintaining current programs and activities.

We are soliciting your support for the **July 4<sup>th</sup> 5-3-1- Run!**. The Run has been a part of Woodland's Annual 4<sup>th</sup> of July activities for many years and the Woodland Schools Foundation is honored to once again host this family friendly event. The 2013 event features a 1-mile, a 5k (3.1mile), and a 5-mile professionally timed run. We have several sponsorship levels available and hope we can count on your support.

Thank you for your consideration. If you have any questions, please do not hesitate to contact us: (916) 769-3442 or [july4run@gmail.com](mailto:july4run@gmail.com)

Sincerely,

Rose Bacchini & Tom Connolly, Co-Chairs
